

PRESS RELEASE
LUCA BIGLIARDI NEW PRESIDENT OF FIABCI ITALY

Milan, 19 January 2023

The Assembly, during the meeting of 17 January 2023, has elected the architect Luca Bigliardi as new President of FIABCI Italia.

FIABCI Italia is the Italian chapter of FIABCI International, the International Federation of Real Estate, founded in 1951 which represents more than 100 professional associations worldwide, about 90 academic institutions, 70 countries, with 49 world chapters and more than 1,000,000 members subscribers.

The new President, former member of the Board of Directors since 2018, current Vice President of the World Council of Architects, founding partner of the PRINCIPIOATTIVO Architecture Group design studio, declared that *"it is important that FIABCI continues to represent a valid and proactive interlocutor in creating new relationships and opportunities for business by collaborating effectively with all the associations and professionals in the Real Estate world"*.

The new President also added *"These years will see me engaged in the key moment of our association to show to the world the high level the Italian Real Estate sector: the Fiabci Prix d'Excellence Italia"*

The entire Assembly addressed expressions of gratitude to the outgoing President Avv. Antonio Campagnoli for what has been done during his long and fruitful assignment, years that have seen the association grow steadily with the primary objective of operating in the interest and for the good of its associates.

The present FIABCI World Vice-President Ramon Riera Torroba and the future FIABCI European President Felice Tufano attended the handover ceremony, representing association strong international ties.
