PROGRAMME AT A GLANCE

12.15 MARCH 2019

the world’s leading property market

PALAISS DES FESTIVALS, CANNES, FRANCE
Come and meet Grant Thornton at the MIPIM 2019
FIABCI is the world’s most representative non-political business networking organization for all professionals associated with the real estate industry.

Representing over 40 professions, from architects to investors, our mission is to provide our members with access and opportunities to exchange knowledge, share best practices, and conduct business with each other.

FIABCI is known worldwide - both within the industry and among other world organizations that share our same interests, including the United Nations, with whom we hold special consultative status at the Economic and Social Council (ECOSOC).

We support the implementation of the United Nations’ New Urban Agenda, in particular the Sustainable Development Goal #11:

*To Make Cities and Human Settlements Inclusive, Safe, Resilient and Sustainable.*
Another year, another FIABCI at MIPIM. And the stakes couldn’t be higher.

This time around, we are taking your experience to the next level: whether through the fresh new design of the FIABCI Pavilion or the dynamic high-level discussions, there is something for every taste. And speaking of taste, we hope you like fine food and live music, the main ingredients of the traditional FIABCI Gala Dinner.

But there is more. Over the next few days, you’ll have the chance to:

- Extend your business and find new opportunities
- Meet with your peers and share best practices
- Learn more about interesting projects
- Hear from key influential players
- Network and enjoy yourself

A complimentary breakfast will be served between 9:00AM and 9:45AM, sponsored by Treasure Dragon Corp. and FIABCI-Taiwan.

Don’t forget to register these moments and engage with us by joining the conversation on social media at @FIABCI #ENGAGE4FUTURE
